

## Sample Fundraising Volunteer Privacy and Nondisclosure Agreement

As a fundraising volunteer, you will be provided with information regarding donors and prospects to assist you in your volunteer role. Information may include names, addresses and phone numbers of individuals, their giving interests, gift society memberships, potential capacity, suggested ask amounts, or other information relevant to your role as a fundraiser on behalf of (name of organization).

Because of the sensitive and confidential nature of this type of volunteer role, each fundraising volunteer must agree to abide by a strict policy of privacy and non-disclosure:

- I will use the information provided with in strict confidence to enable me to perform my functions as a volunteer with (name of organization).
- I will not share this information outside of my work with (name of organization).
- I understand the information and data shared with me is proprietary to (name of organization).
- I will keep the donor and prospect's best interests in mind at all times.
- I will not use the information I learn through working with (name of organization) in the context of other volunteer role or within a professional or any other context.
- I will abide by these commitments for as long as I volunteer with (name of organization, and forevermore.
